**MOBILE APP TARGETED AT THE HEALTH & FITNESS INDUSTRY | ALL
THE GROUNDWORK HAS BEEN DONE**

Great concept! All the groundwork is complete! The founder and creator of this Mobile App can no longer continue servicing its development and is reluctantly putting it up for sale. This is a unique opportunity for someone in the rapidly growing tech industry to take over and advance the excellent work already accomplished.

The owner has dedicated over three years to developing this App, tailored for the fitness and wellness sector, and it is currently available on the Apple Store and Google Play. The App is very well-designed and professionally crafted, with strong potential for widespread popularity.

Such opportunities are rare! If you are a developer or a tech enthusiast with sufficient funding, this could be a perfect fit for you!

- Perfect product to fill that health and wellness gap in the technology market
- Mobile App can be download via Apple Store and Google Play
- All trademarks and licences will be handed over
- Immense growth potential - Further service offerings in the pipeline to be developed
- Capitalise on the thriving Mobile App market
