FANTASTIC SET UP – WELL PRESENTED FITNESS CLUB – RARE OPPORTUNITY

A premium 24/7 fitness facility situated in Sydney's inner south-western suburbs is now on the market. The club underwent comprehensive renovations, first in 2021 with a complete overhaul and acquisition of cutting-edge equipment, and then again in 2022 with a top-floor refurbishment.

Members enjoy a diverse array of health and fitness services, including personalised personal training, exercise physiology consultations, and varied group fitness classes such as reformer Pilates, mat Pilates, yoga, and Zumba.

This business acquisition offers an immediate pathway to an established, profitable business. Rather than building from the ground up, you'll step into a well-developed operation with a strong club culture and consistent revenue streams, meticulously developed over several years. The sale encompasses all current equipment, and the gym demonstrates robust financial performance with significant investment potential.
