PROVEN TRACK RECORD OF SUCCESS | DIVERSE & RELIABLE INCOME STREAMS

This long-standing, family-owned retail business has been successfully operating since 1991 and is located in a vibrant regional town just two hours from Melbourne. Known for its diverse product range and excellent customer service, the business operates as a one-stop destination for all household needs—furniture, bedding, whitegoods, electricals, blinds, curtains, floor coverings, giftware, and more. Backed by trusted national buying groups, it offers premium brands across multiple departments under one roof.

Positioned in a high-growth area with no nearby competitors, this business services a loyal residential and commercial customer base, including ongoing work through a secured council flooring tender. Services such as carpet and flooring installation are subcontracted to enable lean operations. The property is currently owner-occupied, with a new lease to be negotiated—giving buyers peace of mind and flexibility moving forward.
