WORK & MANAGE YOUR OWN FITNESS CLUB IN THE USA BFB0560

THE COMPLETE INTERNATIONAL CHANGE YOU WERE LOOKING FOR!

This is a great opportunity for any Australian looking at moving to the USA and secure a stable income from the day you land. A chance to work and live overseas, while expanding your horizons. This business would suit an owner operator, keen to take their PT expertise and 'aussie' experience to the States, all the while, indulging in the coastal lifestyle.

Buyer to consider:

- 100% Vendor finance available
- \$US350,000 worth of upgrades
- Large premises 1,068m²
- Positioned in the city centre
- Transformable, make it your own!
- Opportunity to open 24/7
- Sub Lease possibilities

All the hard work has been done and with a Club Manager onsite, the business offers flexibility and room to focus ON the business rather than work IN the business. This gym is now poised for acquisition by a keen and energetic operator looking at either branching out into their own fitness business or looking at expanding their current business model.
